## STORMFORCE BLUE

### SEAWORTHY STYLE

Designed specifically for marine applications, our Stormforce Blue range features unique **TWIN-SKIN TECHNOLOGY** to keep the elements out - an outer layer of 100% waterproof ripstop fabric with sealed seams and an inner liner of breathable waterproof material with welded seams. Special features include our bright blue material, two-way zips, multiple pockets and seriously-engineered stormflaps.

## AQUAFORCE

### WORK ON WATER

When your profession or obsession sees you out on the ocean, Aquaforce is the no-nonsense solution for staying dry and feeling comfortable while you get the job done. Aquaforce jackets and pants are constructed from super-tough, 100% waterproof, abrasion-resistant material that won't weigh you down. They're also easy to clean, even after the messiest day on the water.

### EVEN TOUGHER THAN YOU

This is ultra-durable working gear for fishing industry professionals. Highly resistant to abrasion, fish oils and cleaning chemicals, Tufflon jackets and pants are 100% waterproof with an abrasive outer layer and a waterproof lining. You'll also find them light, flexible and comfortable to wear, so you can focus on the task at hand. Head-to-toe high-vis supports safety in all weather conditions.

# AQUASEAL

## AQUASEAL

### FISHERMAN'S FRIEND

If you fish for a living or for sport, a full kit of Aquaseal ensures the elements won't affect your performance. The fabric's 100% waterproof and highly durable; it's made to withstand corrosive fish fats and oils, as well as salt water spray. High-visibility panels ensure your crew mates will always know where you are, even when a big wave crashes over the bow.
